Description of Amendment (Continued):

The following changes are made to the solicitation referenced in Block 7A of the previous page.

3. The following information pertains questions regardting the Pocomoke Building. Program information is included as Attachment A to this Amendment A008:

Q: Will any space be available in the Pocomoke building after UMPD is accommodated in that facility?

A: Yes, it is anticipated that approximately seven thousand GSF could be available for other uses.

Q: Do you have a program of the requirements for UMPD in Pocomoke?

A: Yes. Pocomoke currently contains approximately 27,187 GSF. If a mezzanine level is added to the high bay area the GSF would be increased to 31,987. The attached program for UMPD requires approximately 24,676 GSF. This leaves approximately seven thousand GSF that could be programmed at the discretion of the development team. The development team is encouraged to consider utilizing this space in their development plans. See Attachment A for the detailed UMPD program.
